Features

- This popular chair offers exceptional strength and comfortable seating in a simple yet classic design.
- Solid plastic manufactured by ALBATROSS sets new durability standards for school seating.
- Proven parallel heavy-duty frame tubing ensures superior strength in chair design

Frame

- Frame is molded from 1", 16-gauge tubular steel and is joined by two welded 14-gauge steel support brackets. Steel tubing runs from front to back of the seat with radius corners on front and rear for ease of sliding on carpet.
- Nickel-plated chrome or black powder coat, finishes assure long-lasting durability
